#### Public Hearing

1. Conducting Authority (“Protest”) Proceedings to consider any written protests regarding an approved annexation (LAFCO File No. 14-05) to the Pajaro-Sunny Mesa Community Services District. On April 27, 2015, the Commission approved the District’s proposed annexation of the following areas already served by the following District-owned and -operated water systems:

- Moss Landing Water Service, Inc. in the Moss Landing area, and
- NORMCO, Blackie Road #18, Vierra Canyon, and Langley/Valle Pacifico water systems in the Prunedale area.

The purpose of this meeting is to allow registered voters or landowners within the District to protest the Commission’s decision to approve this annexation. State law requires a subsequent protest hearing unless all property owners provided prior written consent to the proposal. Registered voters or landowners within the District may file written protests before or during the protest hearing.

**Recommended Action:** Hold protest proceedings for this approved proposal.
